Gentlemen: Your letter of Dec 24, received, and contents noted. I forward per Adᵃ Ex. today, my book containing, as per my count, 1311 stamps, all different.

I catalogued same as they are, several years ago, the value reaching an amount in the neighborhood of $50.00. I will sell same at 1¼ throughout, or $16.40, which I think is a bargain for such a lot of nice stamps.

Hoping the stamps will suit you, and that we can agree as to price, I am,

Respy Yours,

Gentlemen,

Your letter of 9th inst. read. The price you mention is of course considerably less than I should have for them, but since you say that you have examined them carefully, and that is what you can give, I will part with them for $7.00

Hoping to receive an early favor,

I remain,

Respectfully Yours
